Large				
<p>The Woman's LARGE is equal to Men's Medium with these differences +10.16cm hips, -5cm girth For a perfect size medium man, the suit would be a little harder to get off over the head. This "Power" Medium – would be a reasonable fit for a man with a height of 172.5 – 176.5, weighing 79 to 84 kg.</p>
